**KISS HER RIGHT**

Drivin' hard through the night,  
I need a bigger engine.  
Still miles away from the light,  
Of your door.  
The moon is actin' so strange,  
Well maybe he knows something.  
There's only on way to tell - For sure....

And That Will Be - When I Kiss Her,  
And I'll Kiss Her Right... I'll Kiss Her Right.

Yes I'll Know, When I Kiss Her -  
If I Kiss Her Right ... Kiss Her Right.

I'll Cast My Spell, When I Kiss Her -  
And I'll Kiss Her Right.... I'll Kiss Her Right.

All Is Well When I Kiss Her -  
If I Kiss Her Right...

## A Bad Start

You got a bad way,  
You got a bad heart.  
You got a bad break,  
You got a Bad Start.

You got a bad mind,  
You did some bad things.  
You're such a bad boy,  
You got a Bad Start.

You drew some bad blood,  
You've had some bad times.  
You got a bad look,  
You got a bad start.

You've got a bad girl,  
To fit your bad world.  
You're such a bad boy,  
Who got a bad start.

Man, Let Go...

## A Big Step

Well the new years begun,  
Looking forward to some -  
Of my Best Days...

Yeah, I'm ready for a big change -  
Yeah, it's time to take a Big Step.

I've got no more excuses -  
My conscience refuses,  
To answer - me...

Says, it's time to take a Big Step....  
Yeah, it's time to take a Big Step, again.

## A Crooked Man

In every house,  
There sits a Crooked Man.  
A crooked yard,  
Within a Crooked town.

A crooked neighbor,  
Shares a crooked yard.  
Outside the window,  
Sits a crooked car.

A crooked boss waits,  
At your crooked job.  
Your crooked woman,  
Loves you as you are.

A crooked man, yeah!  
A crooked man, yeah!  
A crooked man, yeah!  
That is what you are.

## After The War

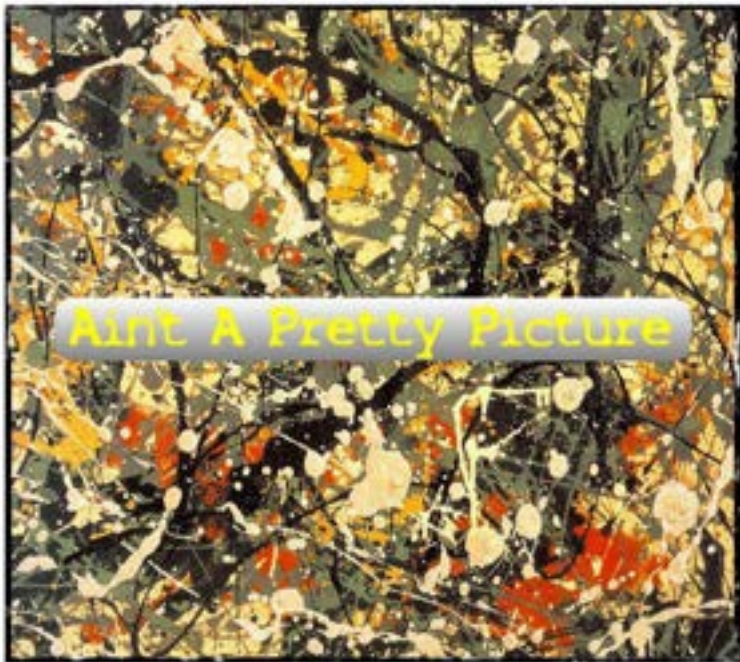

Divorce had the final word -  
Now the screams would stop for good.  
Some people are not meant to be,  
Together as a family.

But that doesn't make it any easier -

Dad was so bitter...  
After The War.  
Mom she grew so cold ...  
After The War.  
No one could reach them...  
After The War...

After The War at Home.

## Aint A Pretty Picture

Don't look - Don't look up.  
Don't look - Don't look down.

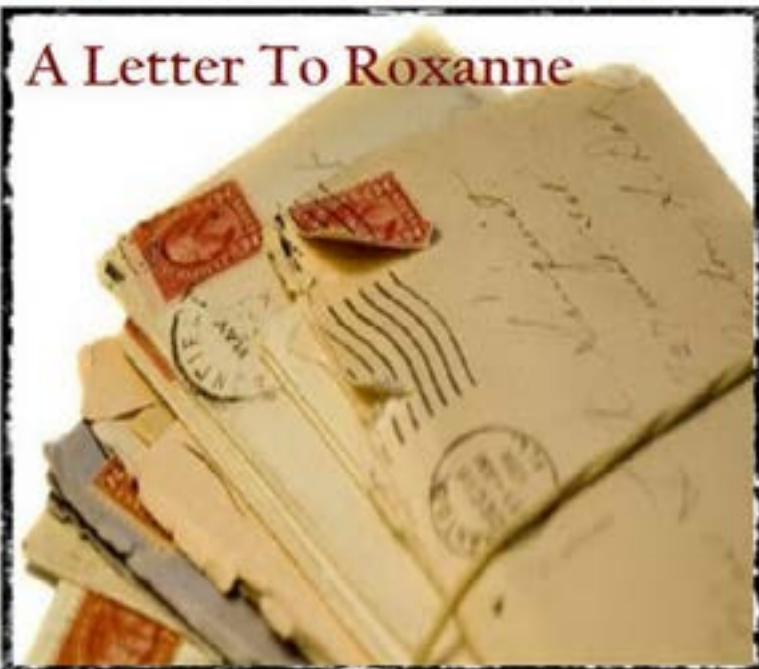

No romance, no love light, no chivalry  
No color, no beauty, no fire to see.  
Such fighting, so much fear, bleak unreality  
Black faces, black souls,  
Black hearts don't bleed.

It Aint a pretty Picture,  
Aint a pretty Picture,  
It Aint a pretty Picture, No...

Non romance, no real love, no chivalry  
No mercy, no room, no fire to see  
Such fighting so much fear, bleak unreality  
Black faces, black souls, black hearts don't bleed.

It Aint a pretty Picture,  
Aint a pretty Picture  
It Aint a pretty Picture, No...

## A Letter To Roxanne

Some years ago I sent,  
A Letter to Roxanne.  
I thought to represent,  
The world of desperate men.

The letter said, I quote,  
"You're every thing to me"  
But Roxanne you're beautiful -  
And I will Never be"

A famous French man wrote,  
Love letters to Roxanne.  
A great fighter and poet -  
He won her heart through them.

But he was not the one,  
To marry her, you see ...  
For Roxanne was beautiful -  
And he would never be...

## All For A Woman

She'll look at me once -  
Take me to the top.  
Makes me feel -  
Like a little lost pup.

Oh, the things -  
That I've given up...

All . . . For A Woman.  
All . . . for Love.

All . . . For A Woman.  
For a Woman.

## All Night To Dream

The day begins -  
With posturings,  
A promise and a smile.  
Success and fate,  
Eliminate -  
The weak ones from the pile.

Don't look for me  
Out front - you see,  
I haven't gotten far.  
I've been dubbed "The Snail"  
On my work detail,  
And I don't drive the Jaguar.

But I've got -  
All Night To Dream...  
Yes I've -  
All Night To Dream...  
Give me - All Night To Dream...

## All Of A Sudden (I Am A Man)

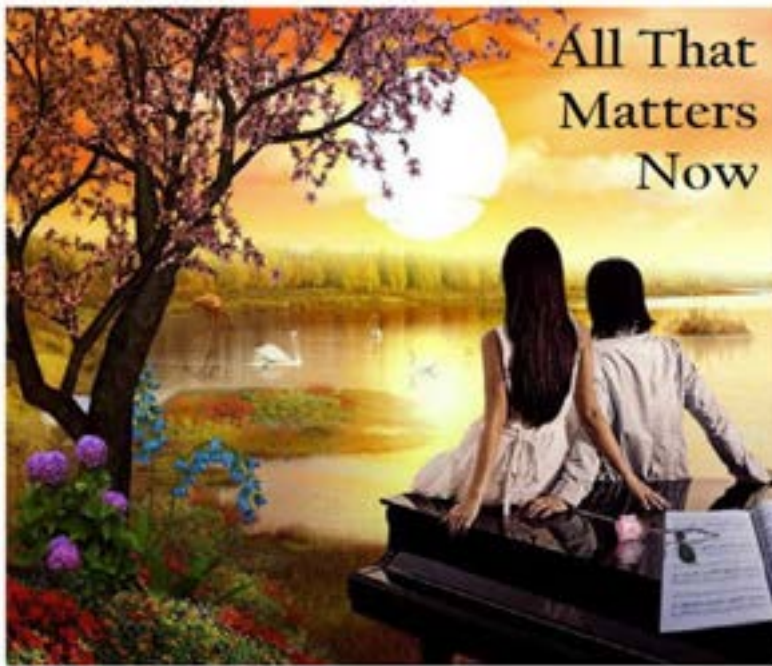

I can trace it back to -  
My parents;  
And the day that I was born....  
I was born.

I grew up believin'  
In pushin' hard and  
Taking life by storm...  
By storm.

And then hey,  
All Of A Sudden,  
Boy, Teen, Adult - Hood,  
I am a Man.

And then hey,  
All Of A Sudden,  
Enter the REAL world -  
You're now a man.

## All That Matters Now

This whole atomic age,  
Get's darker by the page.

When world peace,  
Is only cease fire -  
In the ready stage.

The system crushed our dreams,  
To fit the scheme of things.  
We join the mass of working class,  
Just fighting off routine.

But All That Matters Now -  
Is that you're lying here beside me,  
Safe and warm.

All That Matters Now -  
Two people reaching for a moment,  
All their Own...

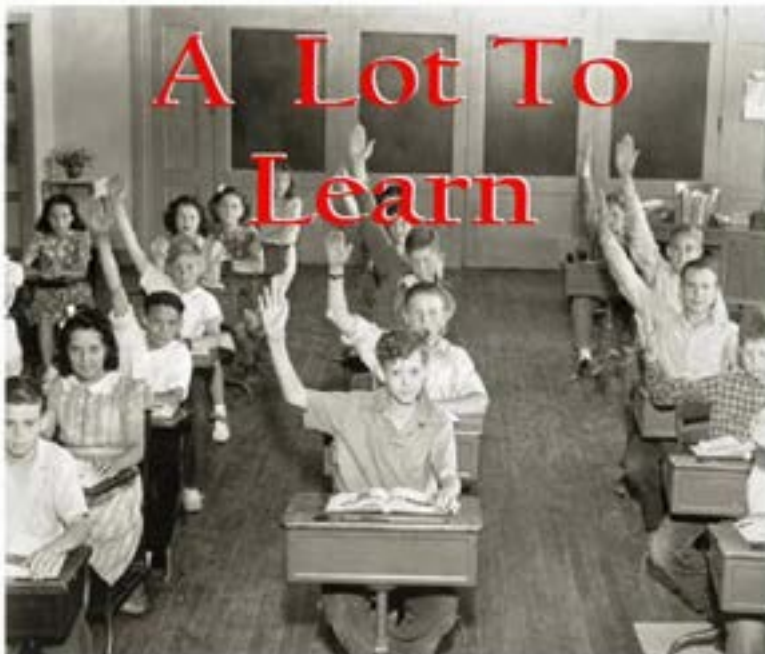

## All Wrong

It didn't last long,  
Cuz' it wasn't meant to -  
It was All Wrong.

I know she meant well,  
But as anyone could tell -  
It was All Wrong.

It can look so damn good,  
Be just like you think it should -  
When - it's All Wrong.

Well maybe someday,  
Maybe somewhere,  
I'll get it Right -  
I'll get there.  
Maybe I've known,  
Known all along,  
Where it was goin' -  
That it was gone...

## A Lot To Learn

Big mouth, big fool, so smart, so cool -  
Aren't you?  
Let it out, let it fall,  
Couldn't just let it be?

Dumb move, Dumb luck,  
Dumb men tell such sad tales.

And I'm no different.  
No I'm no better.  
I was dead wrong,  
I was making fun,  
Couldn't understand -  
Lesson number one.

Ignorance crushes innocence,  
I've got a lot to learn ...  
Innocent pleading ignorant -  
I've A Lot to Learn...

A Lot to Learn.

# Always There For You

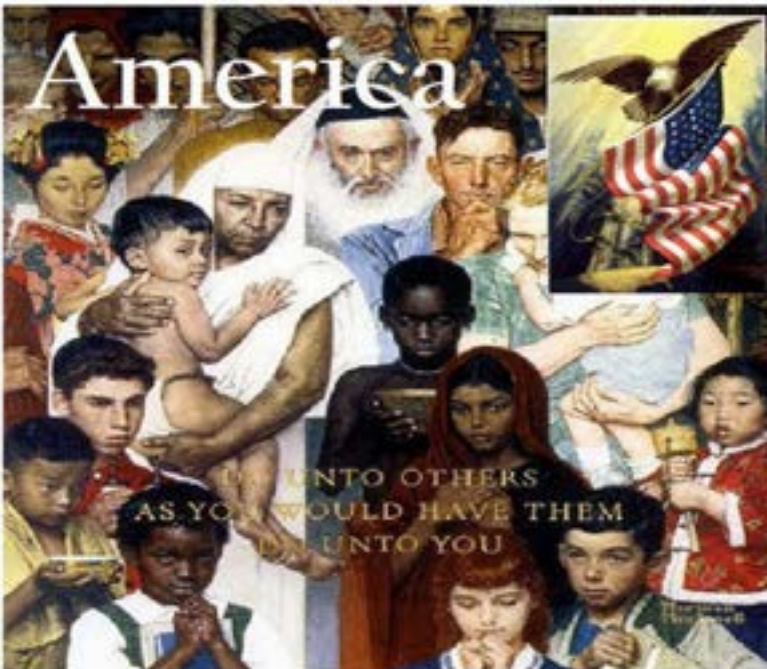

I was never late,  
I was often wrong -  
But I Was Always There For You.

I was hesitant,  
But I was never long -  
I Was Always There For You.

I could make you laugh,  
At the dumbest things -  
I Was Always There For You.

I was there, I was there...

You could call me up.  
You could call me names -  
I Was Always There For You.

Give us your tired and poor,  
There's plenty room for more,  
We welcome all -  
To our Shore...

Is you a China Man?  
Is you an Irish Man?  
And do you know -  
The Score?

We stand for liberty,  
Freedom, equality,  
And who could ask -  
For More?

America, America, America...  
America, America, America...

# A Moonless Night

A cunning vice,  
Caught me unaware.  
Took me several days -  
For a full repair...

I was doubtless mad,  
Or maybe slightly sore.  
But either way -  
I could not find that door.

It was a Moonless Night.  
I lost all my light.  
Had to hang on tight,  
Through that Moonless Night.

Woo...

I was beggin for change,  
Any change at all.  
I could not keep going -  
Watchin myself fall.

# Angels

# Bleed

Angels Bleed,  
Anytime - there's trouble.

And angels feel the pain,  
Every time - you hurt me.

And angels wail all day,  
Every time - we argue.

Angels Bleed....all the time.  
Angels Bleed....all the time.

And angels waste away,  
Every time they - see a tear.

Angels bleed  
Because, because, because - we do.

Angels Bleed....all the time.  
Angels Bleed....all the time.

# Another Four Letter Word

How can you say it,  
When you really don't mean it?  
How can you treat it like -  
Another Four Letter Word?

Woo...Woo...

How can you say it -  
When you really don't feel it?  
Make it sound cheap -  
Another Dirty Four Letter Word?

How can you say it,  
When you know you don't mean it?  
Make me feel cheap like -  
Any other Four Letter Word?

Woo... Hurts so bad...

# Answer in The Dark

*Hey, now what's the matter?  
There's nothin' wrong,  
With what we're longing for tonight....*

*You're not a bad girl,  
So don't go thinking that -  
As you turn out the light.*

*Oh - Waiting for your Answer In The Dark,  
Girl I get this feeling as we talk -  
But it's something I can't say without you.*

*Somebody sold you -  
A set of rules you never used before and now ....  
You're free to choose but -  
Fear the choice - to loose it all somehow.*

*Oh - Waiting for your Answer In The Dark,  
Girl I get this feeling as we talk -  
And I won't do - anything to hurt you.*

## Any Moment...

*Any moment -  
any second,  
In the twinkle of your eye.  
Any moment -  
It could happen,  
Even before you realize.*

*Any moment...in an instant.  
A flash of lightning - Hypnotized.  
Any moment, A minor moment,  
Could change your simple, simon life...*

*Any moment...In a moment  
She could walk in, walk in through that door.*

*That's the moment  
That we've all been,  
Patiently -  
Just waiting for ...*

## A Precious Few

*A Precious Few -  
Come into view.  
Through all you do,  
They'll be with you.*

*A few precious memories -  
The Faces of friends,  
Forever engraved on your mind...*

*Your Precious Few...  
Those Precious Few...*

*A Precious Few -  
Return to you,  
The magic fuel,  
To pull you through...*

*A Precious Few...  
Your Precious Few...*

## Anyone Could See

*Her words ring out like bells on Sunday...  
Her eyes of pain are quickly  
filling with despair.*

*My sins have clouded all the memories,  
That made our love so rare...*

*And Anyone Could See -  
Anyone but me...*

*The writing on the wall,  
Anyone at all...*

*Anyone Could See -*

*Anyone but me...*

*Anyone but me...*

Ask me anything -  
 About the stars, air, ships  
 Planes or cars.  
 How far it is from a war.  
 How far it is from here to mars.

Ask me anything (I'm sure to know)  
 About the sea (the salt)  
 that seems to go on endlessly,  
 And why it's blue where the sun begins...

But don't ask me that again -  
 That question will only bring us pain,  
 That curse will only bring pain.

Please don't ask me that again,  
 That's something I'll never understand,  
 She left us and I don't understand...

Time to start dinner, don't wake the baby.  
 The cake is still baking - but the laundry is done.

Read the notes you took, at the last meeting.  
 Try to watch TV - Oh, there goes the phone..

Husband or child, a son or a daughter  
 It seems that your ears are forever on loan.

Sacrifice leaves little time for reflection,  
 Got to keep everyone smiling and full.

Going and Growing and Going and growing..

A Song For The Ladies, Who keep their men smiling,  
 Who've raised all their children, And made a good home.

A bow to the ladies, Who still read their bibles-  
 A wink to the ladies, Who still sleep alone..

A Soul Inspection. . .  
 It goes down deep  
 This disease,  
 When I feel the disease  
 A Soul Inspection's  
 What I need..

And when I feel,  
 I just can't breathe.  
 A Soul Inspection's  
 What I need.

When I lie - When I deceive,  
 You or me.  
 When I cheat  
 Or let it be..

Wash the TV,  
Comb the yard.  
Feed the dishes - kiss the car.

Buy the dog,  
That radio.  
Drop the cat- at rehearsal..

Drink the soda,  
Crackers down.  
Shave the husbands - Whiskers on.

Shove the dishes,  
Out the door.  
Summer heats up - But not the pool.

At least you have a Lot to Do..  
At Least you have a Lot to Do...  
At least you have a Lot to Do...  
Do, do, do, do, do.....

Give me a Total Stranger,  
To tell me total lie.  
I won't take personally,  
When he looks me in the eye.

Maybe I like the danger,  
What's behind the smile?  
At least a Total Stranger,  
Won't know my pain inside.

Give me a Total stranger,  
Anyone on the street.  
At least with a stranger  
I won't feel silly next we meet.

Give me a Total stranger, Anyone will do.  
Maybe they won't try so hard,  
To hurt me bad like you.

But you're not a Total Stranger,  
You know me far too well.  
By the way that you've been acting,  
Friend, You never could tell.

What have you got,  
At the end of the day?  
After your work -  
And after your play?

At the end of your rope -  
At the end of the day.  
Tell me - how did you fare?  
Did you get your own way?

Tell me who did you do help,  
What did you say?  
And how do you feel-  
At the end of your day?

And then, how do you feel  
At the end of the day?  
When you arrive there, at the End of your Day.

# A Winners' World

Doing so well, success is swell...  
You're number one, you couldn't tell you've  
Had to climb, one, rung at a time -  
You've reached your peak,  
You're looking good, you're looking fine.

But life is not complete,  
Til you compete, til you defeat -  
Within A Winners' World.

And losing is a sin,  
No matter how you play the game -  
In a Winners' World.

And happiness is fine,  
But you won't reach no finish lines -

With a Winners' World...

It's a Winners' World.

# Ball & Chain

Break it down link by link -  
It ain't as strong as you might think.  
Watch yourself -  
You might just Sink.

Ball and Chain ...  
Ball and Chain ...

There's Them that makes 'em  
And Them that breaks 'em  
And Them that shakes 'em  
And Them that fix 'em.

There's them that do,  
And them that don't.  
Them that will and -  
Them that won't.

Rollin' rollin' rollin' your -  
Ball and Chain...

## Beatle Magic SESSIONS VOL. 4

They taught us to love and care,  
About our music and our hair.

And lifted all around,  
With a bigger beat and sound.

Beatle John, Beatle Paul,  
George and Ringo wooed us all...

Where once that power held,  
Our ears under it's spell.

But now the world is wiser, And music has to sell.  
And now the world is wider, And music has to sell.

Beatle John, Beatle Paul,  
It's Beatle Magic - And we're still in awe.

All four one, One for all,  
That Beatle Magic - Is still a draw.

## Beautiful Lies

Sing me a song,  
Of Beautiful Lies.

I'll Sing along,  
To those Beautiful Lies.

Stocks and Bonds  
Snakes and Swans.

All Beautiful Lies,  
Such Beautiful Lies...

Sunsets and Streams - Beautiful Lies.  
Diamonds and dreams - More Beautiful Lies.

I see no black, I see no white,  
Just Beautiful Lies...

Filling my eyes, All Beautiful Lies...

## Beg, Borrow, Or Steal.

**BEG  
BORROW  
STEAL**

Beg, Borrow or Steal -  
Life makes all kinds of deals.

Beg, Borrow or Steal -  
Life makes all kinds of deals.

Well just look for it,  
It's under every brick...  
You've got a pot of gold - in your head.

The plan will change -  
But you can stay the same -  
And even win the game if you know...

How to Beg, Borrow or Steal -  
Life makes all kinds of deals.

Be Grateful,  
When love is tranquil.  
Be Grateful,  
Whales can't walk.  
Be Grateful,  
When skies are blue now,  
And Be Grateful,  
God is merciful...

Be Grateful,  
When there's good food around.  
Be Grateful,  
Pigs don't fly.  
Be Grateful,  
You're not in jail now.  
And Be Grateful,  
God is merciful....

Yeah, Be Grateful ... God is merciful ...

Because I Care...

Right away,  
I'll try to make this clear -  
But it won't be easy.  
Face to face,  
I speak the truth -  
Only if you believe me.  
And what I say,  
Touches only lightly -  
What I'm feeling.

Because you are,  
Everything dear to me....  
And I do so - want to be near.

And if you fall -  
I will be there,  
Because I Care.

Bellum Domestica

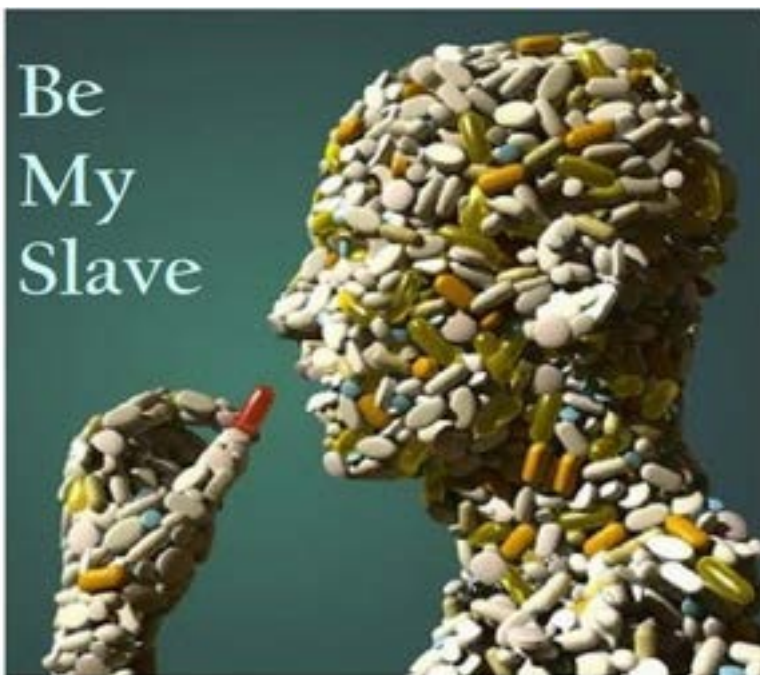

*He's screaming at her,  
She's screaming at him.  
The fireworks start,  
At the crack of dawn.  
It's that familiar - Neighborhood song.*

*People getting hitched up  
Everywhere you turn.  
Out of desperation, Tired of being alone.*

*Feeling in the darkness  
For a perfect mate.  
Someone to make you happy  
Someone you might not hate.*

*Since Adam and Eve, since man and wife,  
There's been such pain, there's been such strife.*

# Be My Slave

I can be your light,  
I can be your friend.

I can give you power,  
And confidence.

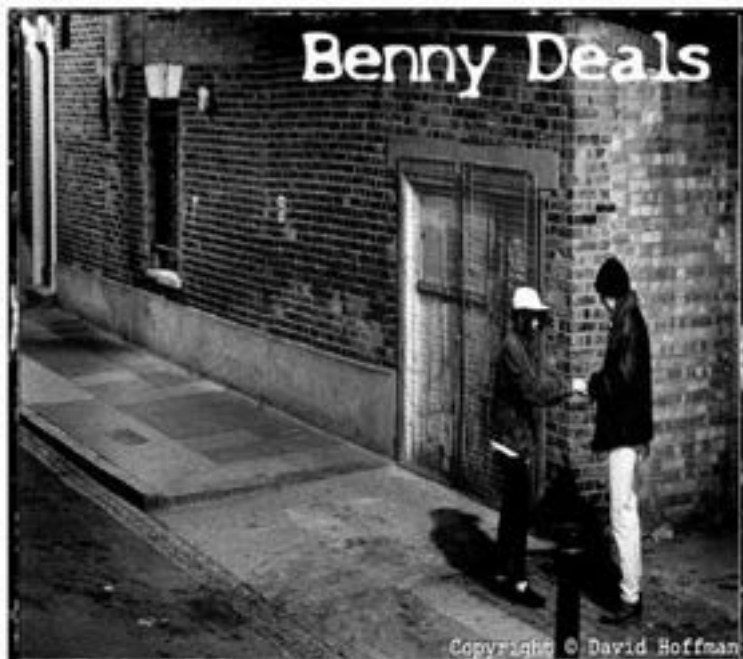

So many choices,  
Just do what I say.

I can ease your mind,  
Take it all away.

I'll give you what you want,  
I'll give you what you crave,  
All I ask of you is -

Be my Slave.

# Benny Deals

There's just no doubt about it,  
He's acting strange, and listen -  
You'll hear the rumors soon enough...

Benny Deals! Benny Deals!  
Benny Deals! Benny Deals!

A taste was all he needed.  
The streets are filled with gold.  
He's hooked, his soul is sold, Oh yeah...

Benny Deals! Benny Deals!  
Benny Deals! Benny Deals!

Deals...in the driveway  
Deals...in the bedroom...

Deals...  
So Many Deals...

# Best Intentions

*Meant to call -  
Couldn't find the time.  
Sure do have some -  
Great excuses.*

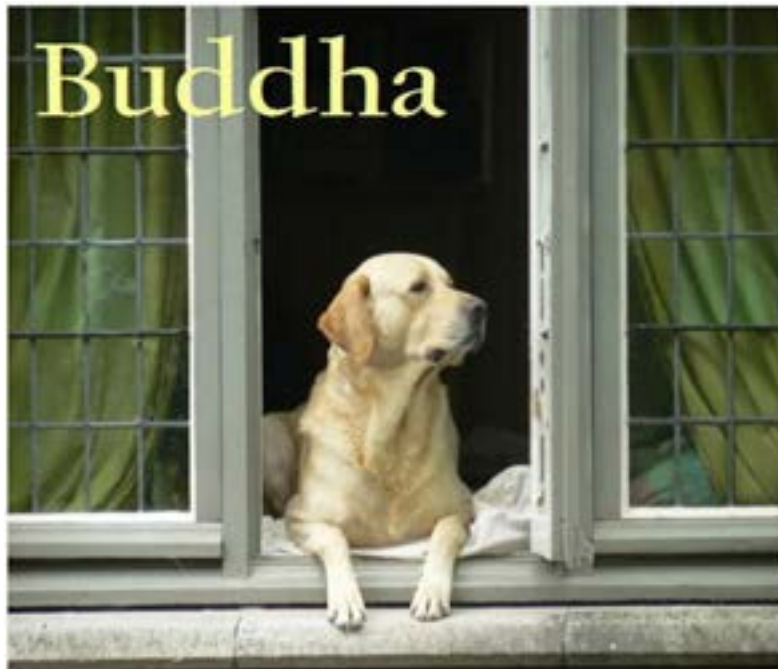

*I have a talent -  
For letting people down...  
Sure have lots of -  
Great excuses.*

*Best Intentions -  
Another failure!*

*Best Intentions -  
What a fool!*

*Best Intentions -  
I Just seem to make things worse....*

# Buddha

Buddha meditates all day -  
About a bone he hid away.  
It's buried near the garden gate...

Buddha, Buddha,  
Buddha lives in his own world,  
Buddha, Buddha,  
Right there next to the lawnmower.

Buddha chases down the squirrels,  
Buddha barks at all the girls,  
And Buddha loves to lick the bowl.

Buddha, Buddha,  
Buddha lives in his own world.  
Buddha, Buddha,  
Right there behind the snow blower.

Caught me on a bad night,  
I must've been a real sight.  
Naked in the moon light -  
Blame It On The Wine.

That's my generation,  
Not above temptation.  
A thrill-seeking Nation -  
Blame It On The Wine...

And the moon and the stars,  
That have spoiled all my plans.  
And the woman that I love -  
But I do not understand.

Who might be here now  
If I was a better man...

Blame It On The Wine!

Blessed are the cool.  
Blessed are the clean.  
Blessed are the bright.  
Blessed are the lean.

Blessed are the rich.  
Blessed are the strong.  
Blessed are the movie makers.  
Blessed are the blondes.

1, 2, 3, 4, 5, 6, 7-  
All good boys will go to heaven...

All the nice girls that clean their rooms..  
All the students that don't skip school..

All the vice cops that get their man..  
All the cowboys who play and sing ...

## Blues a Pretty Color

They say Blues A Pretty Color,  
When compared to black or white.  
Yeah, They say Blues A Pretty Color,  
When compared to black or white.  
Oh but I prefer the blackness -  
Cause when the sun comes I'm all right.

I've been holding out for so long,  
Hoping love someday I'd find you.  
I've been holding out for so long,  
Hoping love someday I'd find you.  
Since my baby's gone and left me,  
There's little else been on my mind.

They say Blues A Pretty Color,  
When compared to black or white.  
Yeah, They say Blues A Pretty Color,  
When compared to black or white.  
But I hope these Blues will leave me,  
I want more colors in life.

## Bored Again

It all came too easy -  
Dropped from the sky.  
The lifetime achievement...

To never be,  
Never be,  
Bored Again.

You've done all the research -  
Gathered the toys.  
Adopted a motto....

To never be,  
Never be,  
Bored Again.

To never be,  
Never be - Bored Again.

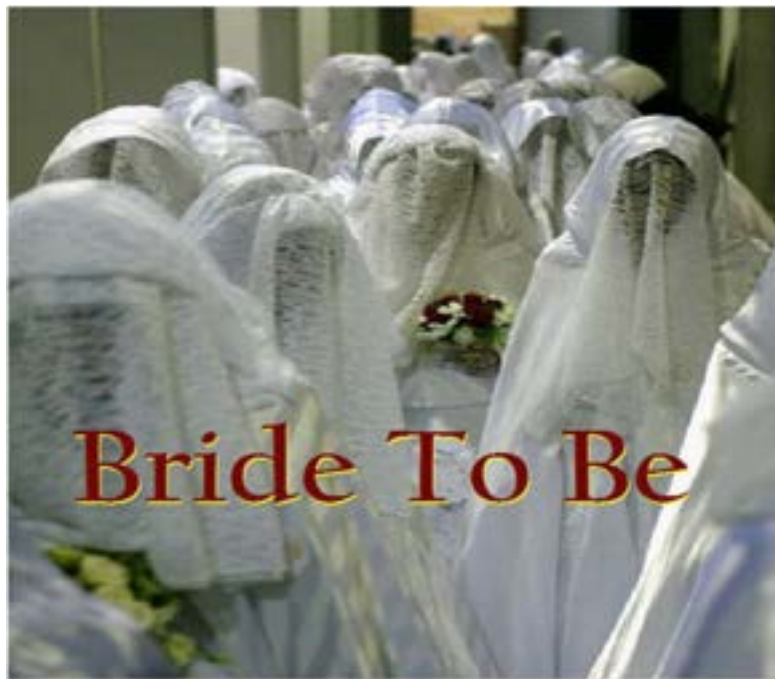

## Breathing

A dying man,  
Has much to learn.  
Not much time -  
And nowhere to turn...

It's very sad,  
To watch a dying man.  
When all he knows -  
Could be lost again.

It always comes down to just  
Breathing...  
It's never been more than just  
Breathing...

It's never been more than just  
Breathing...

## Bride To Be

Some people don't crave no family,  
Some boys they don't want a -

## Brother John

Always the renegade,  
Leading your peace parade,  
Tormented to the grave...  
Brother - John.

You gave music back to us -  
Your vision was never lost,  
But I think that you felt too much -  
John.

The critics could not agree,  
Imagine or Let it Be...  
They lacked your creativity -  
John.

Now you're gone.... Now you're gone.  
Now you're gone.  
Now you're gone, Now you're gone...

## Building My Bomb

Revenge can give a man a mission.  
An endless source of ammunition.  
A vigilante's retribution.

Their methods do not impress me....

## Call Of The Wild

I've seen the worst of this place,  
So tired of these walls in my face.  
The city has so much to say -  
But I long for silence and space.

Nature is striking a chord  
I hear it,  
I feel it,

Sing...

If there is peace on this earth,  
It's next to a clear mountain spring.

I Hear it -  
Calling... Calling...  
The Call Of The Wild.

Car Full of Blues,  
I drive to lose -  
Lose sight of my heart.

Car full of Blues,  
I'm gonna cruise -  
If it takes all night.

I'm low on gas,  
Too slow to pass -  
In my Car Full of Blues.

And there's no more room,  
For any one -  
Especially you.

Especially You....

## Cash For Kisses

On a Dark Corner, Somewhere...  
There's a woman, Young and fair.  
You have needs, She can fill.  
And, for a price, She will...

Cash for Kisses - That's what she says to me.  
Cash for Kisses - Honey, nothing is free.

Cash for Kisses - It's just a job you see,  
Cash for Kisses - It's just business, sweetie.

It's the pleasure, Principle.  
Lust in season, no self control.  
She's a woman, in her prime.  
Oh, what your money could buy.

Cash for Kisses - That's what she says to me.  
Cash for Kisses - Honey, nothing is free.

## Chances

You climb in a little boat -  
Shove it off,  
And then you float...

That's what they call takin' Chances.

And if you're a lucky one -  
You'll wind up on a Galleon,  
Full of gold and spicy romances.

But Chances are all that you get -  
Chances come once,  
But there's always regret.

Yes, Chances are all that you get,  
Chances are -  
The places and people you've met.

## City Lights Excite Her

*You see the city lights excite her,  
both the city and the moon.  
And if I'm anywhere around her,  
I start to actin' like such a fool.*

*Yeah,  
The City Lights Excite Her,  
You can hear it in her voice...  
They stir a rythm deep inside her,  
She wants to get out and make some noise.*

*If you could capture all that joy  
Somehow - and put in the air -  
We wouldn't feel like dying embers  
And we'd all have love to spare.*

## Climb

I think I can tell you what's wrong,  
You've been down a little too long -  
But that's not where you have to be now.

There's a lot of steps to your dream,  
And many places you still haven't seen -  
Hope and high make a beautiful team...

Can we rise above this?  
Let's Climb, Climb,  
Climb, A little while and see....

To be where only love is?  
Let's Climb, Climb,  
Climb, A little while and see....

Let's Climb, Climb,  
Climb, A little while and see....

## Closer

Closer... Closer... Closer...  
Yeah, Yeah

Closer... Closer...  
Closer... Closer...

Look deep into my Laughing eyes,  
Dressed up fruit for painted highs,  
Surrender is a fiery sinking soul...

Closer ... Moving Closer,  
Closer .... Getting Closer,  
Closer ... All the time...

Closer ... So much Closer,  
Closer ... Getting Closer,  
Closer ... All the time, time, time ...

Closer... Closer...

## Cocktail Wars

*That's Tiger Lily,  
She Guards the door.  
She's a charming hostess, yeah...  
But she'll never score.*

*My friends a Cruiser,  
He's everywhere...  
He's a Horny Toad,  
So ladies beware...*

*Oh, Oscar Wilde  
Had a wicked smile,  
And he loved to play -*

*Cocktail Wars,  
These bores, these whores -  
And Me.*

## Come Alive!

I can see forms and faces,  
Looking into my well.

I can hear sounds and voices,  
How far they are - I can't tell.

I can bare feel emotion  
Beginning to rise and swell.

Come Alive!  
Come Alive!  
Come Alive!  
A New sensation.

I, Come Alive,  
Come Alive!  
Come Alive!  
Through inspiration.

## Come On Out And Play

Two kid's steppin' on a vacant lot,  
One eatin' ice cream, one throwin' rocks.  
I see em' every day on my way to work,  
I give em' a wave - they're havin' so much fun.

Starin' out a window behind my desk,  
At a playground covered in rowdiness.  
Boys and girls who can't resist,  
The freedom - of havin' all that fun...

While caught up a cluttered maze,  
Of schedules and shrinking wages -  
Above the noise sometimes I swear,  
I hear my little brother say...

Come On Out,  
Come On Out,  
Come On Out,  
Come On Out and Play.

## Comfort in A Friend

Trust,  
Trust is built ...  
Like a bridge between two shores.

It's so rare,  
To find one -  
You can count in anymore...

There's Comfort In A Friend.  
Who's really listening,  
A shoulder's meant to lean -  
Upon.

Yes, there's Comfort In A Friend.  
One Who's really listening,  
Right now that's what I need -

Some comforting...

# Competition

It was Darwin's conclusion,  
That the strong will survive.  
Well around here Evolution's -  
Called Free Enterprise.

It's Competition,  
Healthy friction...  
Some are driven -  
Some barely try.

Competition -  
The new religion,  
Never give in -  
Never say die...

# Corporate Crime

Banks lend to everyone,  
If you are in with them.

They make the money up,  
And the rules.

Liquidity matters so -  
Leverage those coffers,  
And embrace the mind behind -  
Corporate Crime.

Evasion in high regard,  
Hits the books very hard.

What looks good on paper,  
Is bound for the shredder.

Wipe out the ledger,  
Cut backs are treasure.  
How can you measure -  
A Corporate Crime?

# Count To Ten

Devlin was a renegade,  
Had a wild look in his eye.  
Never started anything,  
Always the other guy.

Now he fights a wheelchair,  
A bullet found his back.  
When I went to visit him,  
He was not the same man.

He said,  
Take a fool's advice  
Words from the unwise...

Before you swing,  
Before you swear,  
Before you stick -  
Your nose somewhere...

Stop And Count To Ten. ☺

# Crawl

Louise shot down Superman.  
Achilles heel wouldn't mend.  
Even Hercules got beat,  
by Hera's cloud Elite -

And then you have to Crawl -  
Right across the floor.  
You trip and you stumble,  
You get down there so low,  
You can't get up at all.  
You'll find that when you fall,  
That's when you have to Crawl...

The sky looks down and laughs...  
You reached too high and you get slapped.  
You just now felt the blow,  
And found the ground below...

That's when you have to Crawl...

# Curses

Screams of silent rage,  
Bursting from inside.  
Smashing at my cage,  
Cursing all the while.

Curses on the sun,  
Curses on the moon,  
Curses on these happy thoughts -  
Invading my gloom.

I can't stand my pain,  
I can't stand myself,  
Curse the day that I was born -  
And everyone else.

Curses on the girl,  
I swear that she's to blame.  
Find yourself under the covers,  
Cursing her name...

# Dancin Fool

Dancin,  
Everybody Sees...  
Dancin,  
Everybody Sees...  
Dancin,  
Everybody Sees a Fool.

Dancin,  
Everybody laughs...  
Dancin,  
Everybody Sees a Fool.

He don't care at all,  
He don't have a clue.  
He don't care at all...  
He don't have a clue.

Dancin,  
Every body Sees...  
Dancin,  
Everybody Sees a Fool.

## Dark Sides

Our Dark Sides - Love a good show.  
Yes they do, ya know.

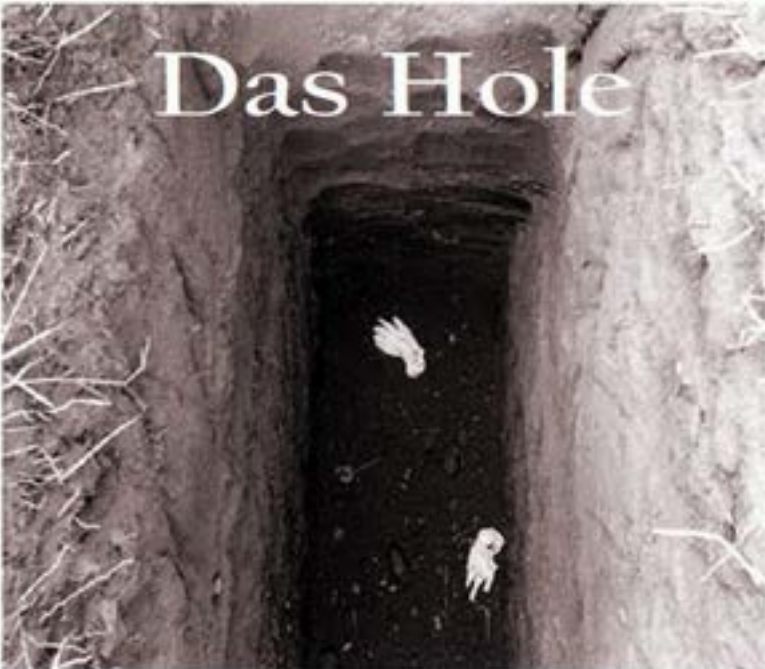

Dark Sides - Do love the gore.  
Yes they do...  
The blood and the gore.

90 million people -  
Watched that woman die.  
90 million people -  
Couldn't move their eyes.

I was there among them,  
I saw it and I froze -  
I stood there fascinated,  
From my hair to my toes.

Dark Sides - Love a good show  
Yes they do - ya know.

## Das Hole

Deep in a Hole...  
Deep in a Hole...  
Deep in a Hole...

Twenty years from now...  
Will you be around?  
Or maybe sleeping sound -  
In the cold, cold ground?

Deep in a Hole...  
Deep in a Hole...  
Deep in a Hole...  
Deep in a Hole...

Thirty years from now...  
Will you be around? (Be around, Be around)  
Thirty years from now?  
Or Deep in a Hole...  
Deep in a Hole...

Deep in a Hole.

## Daycare Blues (Mom, Do You Miss)

7:10 wake up call.  
Out of bed - hear the call.

Half the Day - mommy's gone,  
Drops me off - says feel at home...

Dad is gone, gone away  
Mom says its better...

Mom, Do you miss me?  
Mom, Do you miss me?

Mom, Do you miss me?  
Do You - Miss Me?

## Daytime Drama

Scene one close up, someone looking away.  
Lost his lines, now he's got nothin' to say.  
Crowd looks on they'll show no pity today...

They've seen heartache,  
They've seen pain.  
They want something more this frame.

No camera,  
No film,  
No scripts to cue you in-to...

Daytime Drama,  
Real life trauma -  
The roles we play from day to day.

Scene one take two hero saving the day  
Final chapter hero fading away...  
He's known heartache,  
He's known pain -  
Portrayed love but felt no flame.

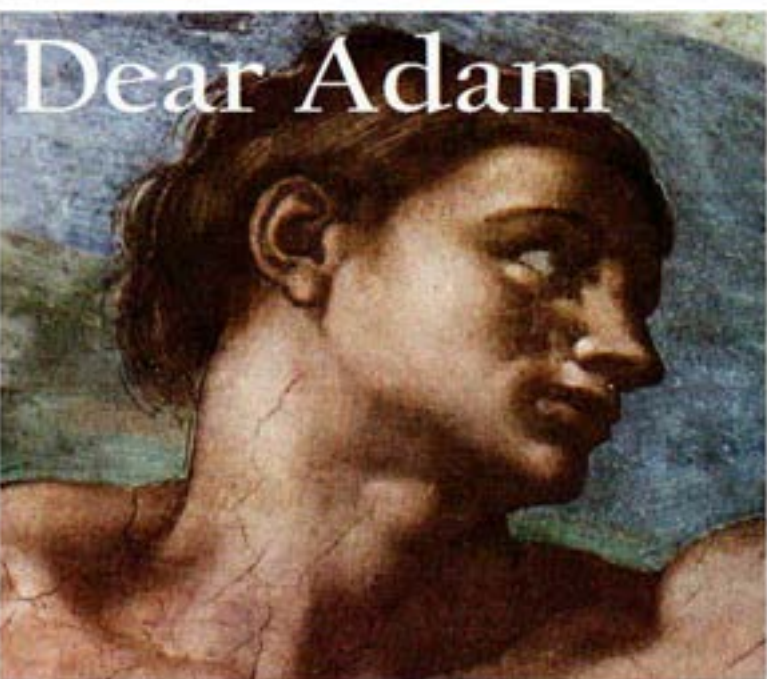

## Dead Men (Tell Such Tales)

History holds lessons,  
For the future.  
Names that have some meaning -  
In the past.

Listen to the wisdom,  
Of your masters.  
Words and deeds and truth -  
Are all that last.

Echoes - Fill the pages...  
Dead Men,  
Tell such Tales...

What about Jesus?  
What about Plato?  
What about Martin Luther?  
What about Me?

## Dear Adam

I have a question,  
For you.  
Is this the curse  
You drew?

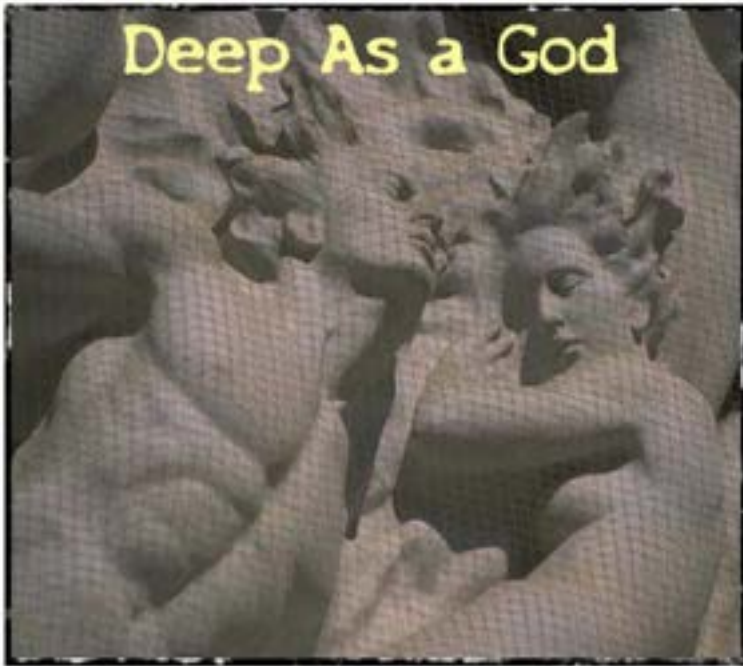

What did you say?  
Or do?  
That was so wrong?  
You fool...

Dear Adam:  
Dear, Dear Adam:

Was Paradise (so bad?)  
Were you just bored? (Or mad?)  
Were you so wise? (So wise)  
In your own eyes? (So wise)

Dear Adam:  
Dear, Dear Adam:

## Deep As a God

How can you ignore them?  
All the treasures in your mind.  
Man would like to murder,  
All the beauty he can find.

You can go deeper...  
As deep as a river...  
As deep as a river...  
Down...

As deep as a god!  
Just flesh and blood.  
As deep as a god!  
Just misunderstood.

But we can go deeper...  
As deep as a river.

Man is a thinker...  
Same as his maker...

## Demon Money

Make ya greedy,  
Make ya vain.  
Make ya nasty,  
An evil man.

Make ya worry,  
Make ya weak.  
Make ya hero,  
Of the week.

Make you grovel,  
Make you crawl.  
Some have lots,  
Most none at all.

Demon money (all that)  
Demon money (it's just)  
Demon money  
Everywhere...

## Den Of Thieves

The pack is running out of steam,  
And fighting over scraps again.  
If Ali Baba gets his way,  
We'll all be beggars in the end.

Cause In a Den of Thieves -  
You'll find no mercy.  
In a Den of Thieves -  
You'll find no love.

In a Den of Thieves  
You'll find no honor -  
Among men...  
Among them...

In a Den of Thieves  
You'll find no honor -  
Among them...  
Among men...

## Did I Ask So Much?

In the moonlight,  
How the romance  
Seemed to grow.

Magic moments,  
Sharing pieces  
Of our souls.

Comes the day break  
Once again I wake –  
Alone...

Did I Ask So Much?  
Did I Ask So Much?  
What I've got I'll give to you.

Did I Ask So Much?  
When a lovers touch –  
Can make all your dreams come true.

You've locked the doors,  
And rolled up all the windows.  
The map was lost,  
By the child of Long ago.

A sudden shift,  
Another dull horizon.  
You've reached a plane,  
Where Hope has come and gone...

All your Life,  
You've only lacked -  
Direction,  
Direction...

And there it was,  
Just beyond  
Detection,  
Direction...

## Don't Count On Love

She got all dressed up –  
Had nowhere to go.  
She lost all her courage –  
When she saw the door.

She needs one good reason  
To try anymore.  
Baby's got a mind, Of her own –  
But she could lose it ....

She Don't Count On Nothin',  
She Don't Count On Love  
She Don't Count On Nothin',  
Don't Count On Love.  
She Don't Count On Nothin'

Cause nothin could be,  
Nothin could be, Nothin could be –  
Nothin at all...

Don't Look Into The Light

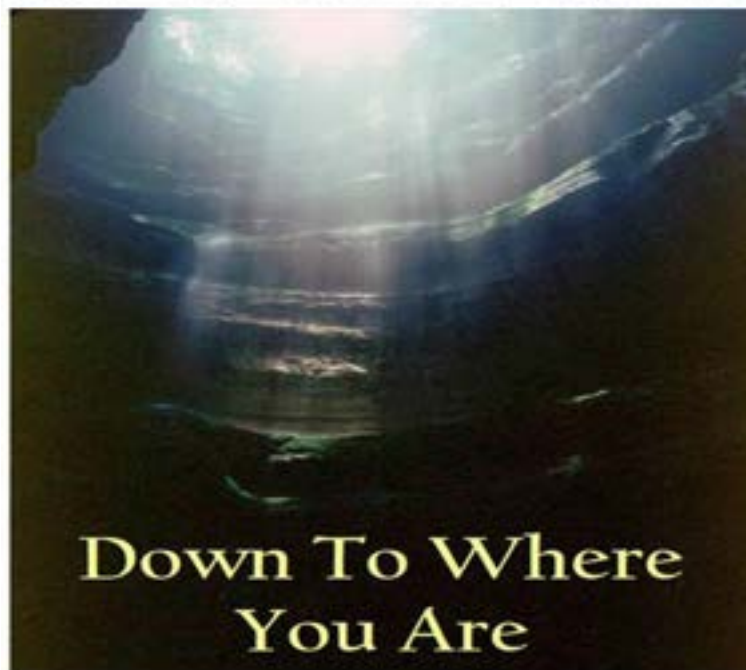

An overdose of understanding -  
The visionary's way to go.

Hold the burning match of wisdom -  
To the darkest truth you know.

Then Look Into The Light  
The Light...  
The Light...

You Look Into The Light  
The Light...  
The Light...

Oh when will you realize,  
You're just hurting your eyes!

Down To Where  
You Are

I'm not going,  
Down to where you are.  
I'm just not gonna go there -  
Baby I can't go there.

I'm just not goin -  
Down to where you are.  
I just refuse to go there  
Baby I just can't go there -

This level is hard to reach.  
It took me a while to breach.  
The surface and stay a float,  
As long as I don't give up...  
Which you can't seem - to do...

I'm not going -  
Down to where you are,  
I'm just not gonna go there  
Baby I can't go there.

Do Yourself  
A Favor

Write them all a note right now,  
And Do Yourself A Favor.

Tell them that - you left the oven on,  
And you might be back later.  
We can sneak out the back door,  
And Do Us Both A Favor.

I might have - what you lack,  
I could rub your back -  
You rubbed mine...  
Plenty of times.

Call me up - when you get home.  
And Do Yourself A Favor.  
Let me come around and be around,  
And do us both a favor.

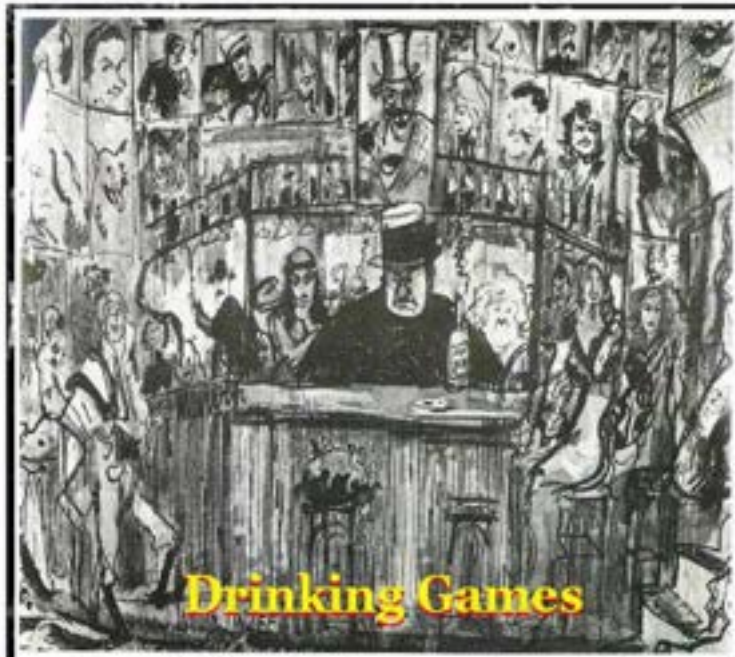

Life was a bubble,  
The air couldn't reach -  
The sun was now a planet gone.

Floating thru shallows,  
Clouded with leaches -  
Dark water was all around.

I saw barracudas,  
Tear at my insides -  
I knew then that I was going down.

They say to a dead man,  
"He swims with the fishes"  
Before they drop him in the sand.

In these Dreams of a Drowning  
Dreams of a Drowning ... Man.

Drinkers beware,  
There's many bottle traps in there.

One night seeking for to roam,  
Found a bar close to home.

I only intended for a sip,  
Some fella had to gave me some lip.

Drinking Games,  
Drinking Games,  
I always win - Drinking Games.

What you say there, young fella?  
Did you just up and call me - yella?

Always ends the same - with,

Drinking Games,  
Drinking Games,  
I never win - Drinking Games.

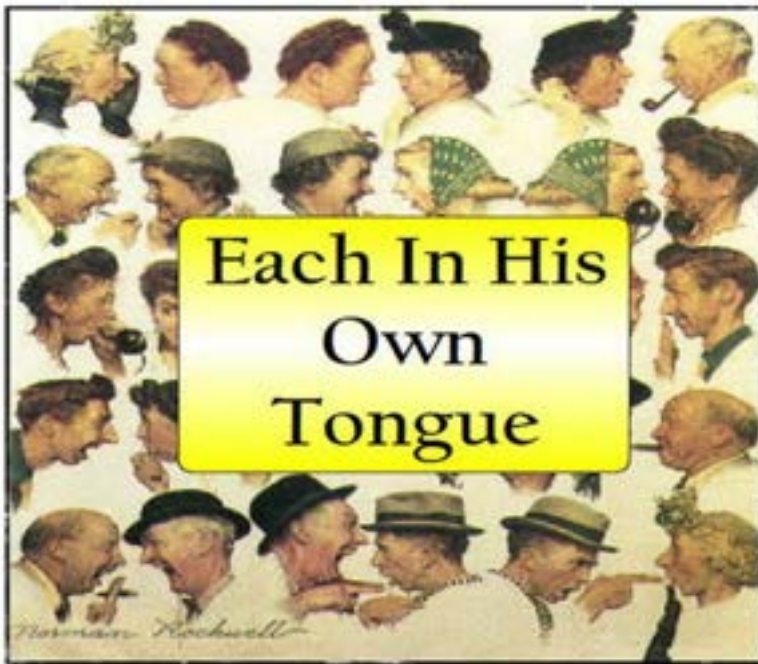

I felt the small town noose -  
The noose, the noose,  
The noose since I was ten.

And I knew only a car -  
A car, A car,  
Would bring freedom.

To -  
Drive, Drive Away,  
Drive, Drive Away,  
Drive into the sun...

Drive, Drive Away  
Drive, Drive away,  
Away from everyone...

**Each In His  
Own  
Tongue**

Moving hearts...  
Each In His Own Tongue.

Giving thanks...  
Each In His Own Tongue.

Fighting wars...  
Each In His Own Way.

Spreading news...  
Each In His Own Tongue.

Adding up ...  
Each In His Own Way.

Telling lies...  
Each In His Own Tongue.

Each In His Own Tongue.

**Ego (Don't Shame Me)**

Well you're not content -  
And our money's spent.

Ego, Ego...Don't Shame Me  
Ego, Ego...Don't Shame Me

Then you whine and pout,  
Like a child you shout.  
Must steal the show,  
And step on every toe.

Ego, Ego...don't rush me  
Ego, Ego...don't crush me

You've got no patience,  
And less common sense.  
Such selfishness  
Fills me with disgust.

Ego, Ego...Don't Shame Me

In the Emergency Room.  
I feel such awful gloom.

There's blood upon my face.  
It's flowing every place.

In The Emergency Room,  
They're running to and fro.  
There's so much I don't know, Or want to...

Now I'm a little scared,  
I Was not prepared for this...

In the Emergency Room.  
There's screaming every where...

Emergency Room.  
It's time to say my prayers...

Lookin back at all the war,  
That's brought a world down.  
Hostility is everywhere,  
And mercy not found.  
We're standing on the Enemy Ground.  
Fighting on the Enemy's Ground.

You decide you've had enough,  
Of bein pushed around.  
Then you find -  
You're standing on the Enemy Ground.  
Standing on the Enemy Ground.  
Fighting on the Enemy's Ground.

Nixon had it all wrong,  
You can't win a war.  
Where the enemy's hiding,  
Behind every door.

## English Speaking Savages

English Speaking Savages,  
Leave the world in ravages.  
English Speaking Savages,  
Possess a mighty heritage.

The Anglo must keep finding his place  
And civilize each pagan race.  
A crusade for the modern ways...

And murder is on the rise.  
And famine is on the rise.  
It's comes as no surprise.

English Speaking Savages,  
Leave the world in ravages.

English Speaking Savages...

## Eternity Watches

To see a world,  
In a grain of sand.  
Or, hold infinity,  
In the palm of your hand.

While every night,  
And every morn -  
Some to misery are born...

Eternity watches...  
Eternity waits...  
Eternity listens...  
There at the gate.

Eternity answers...  
Eternity sings...  
Eternity happens...  
In every being...

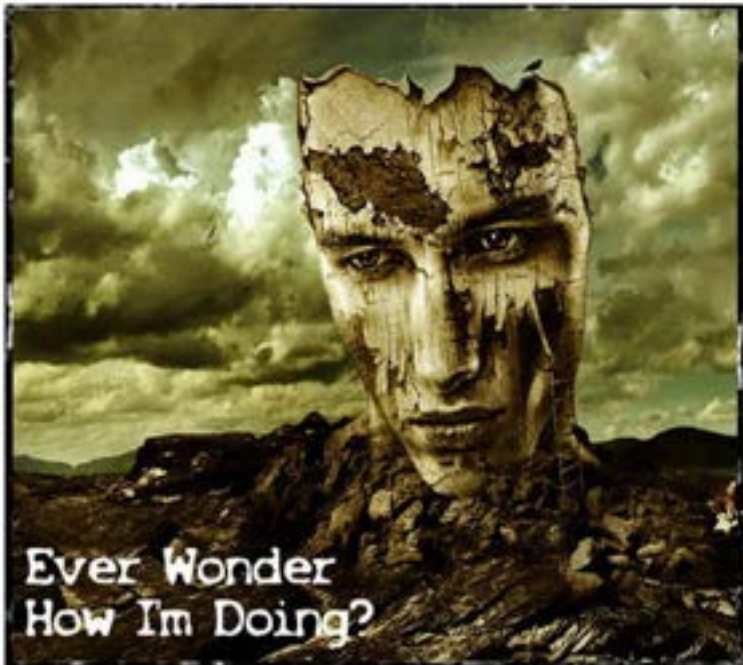

Oceans of oil,  
A whole planet to spoil -  
And profits left to plunder.

Oh we don't share our love,  
We just share love theories -  
In every local singles bar.

Oh there's no right or wrong,  
Our freedom is too strong -  
And God is only too far...

It's Everybody's' Problem...  
It's Everybody's' Problem...

Everybody's' Problem...

Present conditions  
Have turned out ok.

Well I can't complain,  
Maybe it's better this way...

Your choice considered,  
Mine was the same.

A painful decision,  
And no one to blame.

Yet, I think of things that might have been -

And I wonder, if you wonder..

Ever Wonder How I'm Doin?  
Ever Wonder How I'm Doin?  
Ever Wonder How I'm Doin?

Livin without you...

Strange are the destinies of common people,  
So full of myth and mystery.  
We all begin with something very special  
Then chase the same, stale, fantasy.

A  
Fairy Tale...  
Fairy Tale...

I find a maiden blessed with grace and beauty,  
She wants that kingdom by the sea.  
She wants a knight that seeks for Eldorado  
Oh, but she rarely wants me...

Fairy Tale...  
Fairy Tale...

## Family Again

Mom said sis was wrong,  
God how she hurt us all,  
Shame on her for - Lying.

That's what started it,  
That was years ago,  
We're still apart,  
And nobody's even - Tryin'.

Dad called a while back,  
Hadh't heard from Tony yet,  
Said things were the same -  
No one's giving in.

I Wish we -  
Could be,  
A Family Again.

Well this guy walks in,  
He looks a little uptight -  
Says he's got a couple questions,  
Shouldn't take all night.

I said fine, so where do we begin?  
He says "Right here babe."  
And plugs his tape player in.

Then he leans back, grins  
And takes a look at me -  
With a face full of teeth, and sincerity.

Fixin' out questions,  
Like a Gatlin gun,  
Half the time I feel -  
Like I'm on the run.

Feed the Press!  
Feed the Press!

## Find Out

Feeling is fadin, Holdin to the last.  
Won't say it's gone, won't say it's past.  
Beyond a point, there just no return.  
Won't say it's come, Just have to learn.

Anyhow - you know, I've been thinkin of late.  
It could'nt last long - not really last.

Do you know - where you're going to?  
Find Out - And call on me.  
Do you know - what you're all about?  
Find Out - And then we'll see.

I don't know, why you put me down.  
When I need you so bad, I can't turn around.  
You, are the one I need.  
Won't you please believe - I love you.

Do you know - where you're heart is at?  
Find Out - And then call on me.

It's a lonely road,  
We're traveling on.

So full of speed traps,  
And pot hole friends.

Flag Me Down!  
Flag Me Down!  
Flag Me Down!  
I brake for love...

Nearing the home stretch,  
Just tired and worn.

A few stops for resting,  
With your hazards on.

Flag Me Down!  
Flag Me Down!  
Flag Me Down!  
I surely brake for love...

Oh, please don't try to wake me -  
I'm having so much fun.  
I ride the winds of heaven,  
I melt into the sun.

I soar through clouds of wisdom  
I sail beyond the sky.  
I reach my own Nirvana,  
I've never been so high.

Reality is gravity,  
And that can't hold the birds and me.  
I glide the currents of my dream -  
I'm Flying.

I seek the healing waters,  
I seek relief from pain.  
I chase a space bound vision,  
Within my space bound brain.

We rise from the womb,  
We sink to the grave -  
Our cycles complete.

And even the strongest,  
Must loosen their grip -  
Must suffer defeat.

But nature is law,  
And nature has won,  
You won't always be -

Foolish and Young...  
Foolish and Young...  
Foolish and Young...

You won't always be -  
Foolish and Young.
